1. The given dimensions are dimensions without the lock protruding beyond the outline of the cabinet. 2. The given dimensions may differ from the actual ones by ± 5 mm. 3. We reserve the right to make structural changes in the products, while maintaining their usability, which may slightly affect their appearance. 4. In the case of built-ins where exact dimensions are important (e.g. inserting cabinets into niches, enclosing), please consult the dimensions given in the price list with us. This table is for color representation only. A more accurate color reproduction is included in the full RAL color palette. We reserve the possibility of slight deviations from the given colors, which does not entitle to submit complaints. We also reserve the right to make structural changes in the products, while maintaining the usability, which may slightly affect their appearance. The colors of the products in the photos and visualizations in the catalog are for illustrative purposes only and may differ from the colors of the products offered in reality.
