

Szk filing cabinets

Description

The levelling feet in Szk filing cabinets allow for stable positioning on uneven surfaces, thus ensuring secure storage of documents. They are made of durable plastic (polyamide).

List of GS-certified Szk cabinets:

Szk 101 Sis, Szk 201 Sis, Szk 301 Sis, Szk 301/5 Sis, Szk 102 Sis, Szk 202 Sis, Szk 302 Sis, Szk 103 Sis, Szk 203 Sis, Szk 303 Sis, Szk 104 Sis, Szk 204 Sis, Szk 306 Sis, Szk 3A3 Sis, Szk 305 Sis, Szk 304 Sis, Szk 304/2 Sis, Szk 304/3 Sis, Szk 304/4 Sis.

Characteristics of the levelling feet

<ul style="list-style-type: none"> • height of cabinets placed on the feet, without prior level adjustment, is increased by ~10 mm 	<ul style="list-style-type: none"> • Feet can be adjusted in scope of ~10 mm • Feet will increase cabinet's height by maximum of ~20 mm 	<ul style="list-style-type: none"> • Levelling feet can be completely removed • Complete removal of levelling feet and placement of a cabinet on the feet's body will increase cabinet's height by ~5 mm
